SHORT TERM FINANCE

OUR DEVELOPMENTAL APPROACH TO SHORT-TERM FINANCE

While operating in the same space as South Africa's major banks, the ECDC distinguishes itself as the financial service provider for initiatives that bring with them a meaningful developmental impact on the Eastern Cape economy. If your initiative brings new jobs or saves existing ones, brings empowerment to the previously disempowered, adds real value to the economy, generates export income, or facilitates township and rural development, then we would like to speak to you.
