REAL FINANCE. REAL INVESTMENT.
REAL RESOURCES

ENTERPRISE FINANCE

Looking for loan funding to stimulate business growth?

Look no further than the ECDC's empowering loan funding products and financial incentives. The ECDC offers finance products to deserving Eastern Cape entrepreneurs to facilitate inclusive socio-economic development and growth.

These finance products and incentives are crucial to the development of a vibrant small business sector. The ECDC's diverse financial offering ranges from simple contract-based loans tailored for the supply and delivery and construction-related contracts to ordinary and sector-specific term loans, including the Agri Blended Finance Scheme.

Contract-Based Loans

Loans tailored for supply, delivery, and construction contracts

Term Loans

Ordinary and sector-specific loans for various business needs

Agri Blended Finance Scheme

Financial scheme supporting agricultural development

BUSINESS DEVELOPMENT SERVICES

Give your business the edge

The ECDC offers an exciting business development services programme designed to support the productivity, competitiveness and sustainability of small businesses.

Through tailored support services, the programme helps businesses:

strengthen operations

improve productivity

navigate challenges

remain viable in a competitive market

INVESTMENT MANAGEMENT, TRADE & INVESTMENT PROMOTION

Investing in the Eastern Cape - Simpler, better, faster

The ECDC is committed to making it easier for you to invest in the Eastern Cape. Whether its advice on incentives, market data support, project approvals, visits or permits, work permits as well as pre and post-investment screening, the ECDC is ready to lend a helping hand.

The Corporation promotes the Eastern Cape as an attractive destination for foreign and local direct investment. In addition, it facilitates support for Eastern Cape enterprises that export goods and services to domestic and international markets to increase the provincial share of exports. The unit also manages the Eastern Cape Economic Development Fund (EDF), which facilitates inclusive growth, industrial development, and other developmental outcomes. It does this by investing in projects and ventures that are commercially sound, that stimulate economic growth, support entrepreneurship, and those that create sustainable employment opportunities.

ECONOMIC DEVELOPMENT COORDINATION AND SECTOR SUPPORT

High value economic development and sector support partnerships

The ECDC develops and establishes relationships with public entities and industry associations, the private sector, and social agencies for effective resource utilisation and funding.

PROPERTIES AND FACILITIES MANAGEMENT

Attractive and affordable property portfolio

The ECDC boasts a substantial investment property portfolio which can be readily activated to meet your business needs. The portfolio complements the ECDC's business services by providing affordable commercial and industrial properties for the investor and local business community.

INFRASTRUCTURE PLANNING AND DEVELOPMENT

A trusted infrastructure delivery partner

The ECDC implements externally funded social and economic infrastructure projects on behalf of clients, as well as supporting its internal property refurbishment programme.
