## **SECTION C: TERMS OF REERENCE / BID SPECIFICATIONS**

The intention of this BID is to set up a contractor database for CIDB Grade 1 and Grade 2 for a duration of three (3) years. The database will be separated into the top ten bidders for each of the five clusters. This means the top ten (10) bidders who passed functionality for each cluster will be included in the panel. The functionality scores will be added to their rates pricing and specific goals and ECDC will include the top ten bidder for each cluster.

Please note that the panel will consider the CIDB Grading for each project and allocate work for those bidders within such category. ECDC will also apply the rotation of panel members for each cluster to ensure that work is allocated equitably. Where a panel member has been allocated the work with a bigger scope and value, ECDC will source from other panel members to ensure that they receive work equivalent to that of the bigger scope and value depending on

the requirement at the time. This is because ECDC intends to assist all those included in the panel to emerge to a higher CIDB Grading than they are currently in.

Where there is evidence of non-performance from any panel member, ECDC reserves the right to formally exclude the panel member from participating under this contract.

The database and allocation of work will be fully auditable and open for scrutiny where deemed necessary.

The five areas are:

1. EAST LONDON, FORT JACKSON, MDANTSANE,
2. ZWELITSHA, DIMBAZA,
3. QUEENSTOWN, WHITTLESEA,
4. BUTTERWORTH,
5. MTHATHA.

Successful Tenderers will be placed on the database for an area based on **proof of business address**.

Response time will be:

1. **Thirty minutes (30) for an emergency callout**
2. **Eight (8) hours for any other callout.**

Transport will only be paid **WITHIN** the allocated area of this BID. For example, a contractor will not be allowed to claim transport costs for work in Butterworth if they travel from East London. The allocated area perimeter will be demarcated on Google Maps. This will be provided with this bid document to allow bidders to familiarize themselves with it.

The following process will be followed for each job allocated:

1. The nominated contractor will receive a job request electronically and telephonically in terms of an emergency.
2. The job request will be then costed by the contractor in terms of the Bills of Quantities (BOQ) and returned.
3. An electronic Job Card with a unique Job Number will then be issued for work to be undertaken.
4. Upon completion of the job, an ECDC official will check the work and sign off on the job and invoice.
5. The Contractor will then submit the invoice with relevant PoE for payment.
