13.2 In all instances where bidders (including VAT Vendors) have excluded VAT from the prices quoted , such prices must be evaluated excluding VAT and if the bidder is successful , the letter of award of contract will state that the price at which the contract is awarded is exclusive of VAT and the VAT will not be added on at any stage . **The successful bidder will have to absorb the adverse financial implications of not including VAT in the price quoted.**

13.3 Prices quoted by non-VAT Vendors MUST NOT include VAT. However Non-VAT vendors who submit bids for contracts that would, if successful, take their annual turnover to be above the threshold of R1 million are obliged to include VAT in the prices quoted and must therefore immediately upon award of the contract, register with the South African Revenue Services (SARS) as VAT Vendors. **The award of such a contract would be conditional pending the successful Bidder submits proof of registration as a VAT Vendor with SARS**
