ECDC shall, without prejudice to its other remedies under the contract, deduct from the contract price, as a penalty, a sum calculated on the delivered price of the delayed goods or unperformed services using the current prime interest rate calculated for each day of the delay until actual delivery or performance.
7. ECDC may also consider termination of the contract.

Whereas the Government Procurement General Conditions of Contract July 2010 will be applicable for this BID, ECDC would like to emphasise the following clauses in the GCC.

A. Delays in the Supplier's Performance

1. No provision in a contract shall be deemed to prohibit the obtaining of supplies or services from a national department, provincial department, or a local authority.
2. The right is reserved to procure outside of the contract small quantities or to have minor essential services executed if an emergency arises, the supplier's point of supply is not situated at or near the place where the supplies are required, or the supplier's services are not readily available.
3. Except as provided under GCC Clause 25, a delay by the supplier in the performance of its delivery obligations shall render the supplier- liable to the imposition of penalties (penalties will equate to the amount ECDC's suffered due to delays caused by supplier), pursuant to GCC Clause 22, unless an extension of time is agreed upon pursuant to GCC Clause 21.2 without the application of penalties.
4. Upon any delay beyond the delivery period in the case of a supplies contract, the purchaser shall, without cancelling the contract, be entitled to purchase supplies of a similar quality and up to the same quantity in substitution of the goods not supplied in conformity with the contract and to return any goods delivered later at the supplier's expense and- risk, or to cancel the contract and buy such goods as may be required to complete the contract and without prejudice to his other rights, be entitled to claim damages from the supplier.

B. Termination for Default

1. The purchaser, without prejudice to any other remedy for breach of contract, by written notice of default sent to the supplier, may terminate this contract in whole or in part:
 - (a) if the supplier fails to deliver any or all of the goods within the period(s) specified in the contract, or within any extension thereof granted by the purchaser pursuant to GCC Clause 21.2;
 - (b) if the Supplier fails to perform any other obligation(s) under the contract; or
 - (c) if the supplier, in the judgment of the purchaser, has engaged in corrupt or fraudulent practices in competing for or in executing the contract.
2. In the event the purchaser terminates the contract in whole or in part, the purchaser may procure, upon such terms and in such manner as it deems appropriate, goods, works or services similar to those undelivered, and the supplier shall be liable to the purchaser for any excess costs for such similar goods, works or services. However, the supplier shall continue performance of the contract to the extent not terminated.
3. Where the purchaser terminates the contract in whole or in part, the purchaser may decide to impose a restriction penalty on the supplier by prohibiting such supplier from doing business with the public sector for a period not exceeding 10 years.
4. If a purchaser intends imposing a restriction on a supplier or any person associated with the supplier, the supplier will be allowed a time period of not more than fourteen (14) days to provide reasons why the envisaged restriction should not be imposed. Should the supplier fail to respond within the stipulated fourteen (14) days the purchaser may regard the intended penalty as not objected against and may impose it on the supplier.
5. Any restriction imposed on any person by the Accounting Officer / Authority will, at the discretion of the Accounting Officer / Authority, also be applicable to any other enterprise or any partner, manager, director or other person who wholly or partly exercises or exercised or may exercise control over the enterprise of the first-mentioned person, and with which enterprise or person the first-mentioned person, is or was in the opinion of the Accounting Officer / Authority actively associated.
6. If a restriction is imposed, the purchaser must, within five (5) working days of such imposition, furnish the National Treasury, with the following information:
 - (i) the name and address of the supplier and / or person restricted by the purchaser;
 - (ii) the date of commencement of the restriction
 - (iii) the period of restriction; and
 - (iv) the reasons for the restriction.

These details will be loaded in the National Treasury's central database of suppliers or persons prohibited from doing business with the public sector.

7. If a court of law convicts a person of an offence as contemplated in sections 12 or 13 of the Prevention and Combating of Corrupt Activities Act, No. 12 of 2004, the court may also rule that such person's name be endorsed on the Register for Tender Defaulters. When a person's name has been endorsed on the Register, the person will be prohibited from doing business with the public sector for a period not less than five years and not more than 10 years. The National Treasury is empowered to determine the period of restriction and each case will be dealt with on its own merits. According to section 32 of the Act the Register must be open to the public. The Register can be perused on the National Treasury website.

C. Breach and Penalty

In the event of one or other party breaching this Agreement or failing to perform any of the terms conditions thereof and remaining in default notwithstanding written notice to comply within fourteen (14) days, calculated from the date of delivery of the notice, then and in that event, the party complaining of the breach or non-performance shall be entitled to cancel the Agreement without prejudice to any other rights in terms hereof to recover damages arising from the breach.

13. Duration of the contract

It is anticipated that the appointment will be made during September 2024 and will be for the duration of 36 months. The service provider will be expected to be available and start immediately as soon as a Service Level Agreement is signed.

14. Payments and tax

1. Payments shall only be made in accordance with the fees as quoted in this documentation. Prices charged by the bidder for goods delivered and services performed under the contract shall not vary from the prices quoted by the bidder in this bid/RFQ, with the exception of any price adjustments authorized at ECDC's request for bid validity extension, as the case may be.
2. ECDC will re-imburse the service provider for expenses and disbursements incurred subject to the submission of satisfactory proof that such expenses and disbursements have been incurred and subject to it being within the budget as indicated in this documentation.
3. The service provider shall from time to time during this contract duration furnish ECDC with a VAT compliant tax invoice accompanied by a copy of the delivery note and upon fulfilment of other obligations stipulated in the contract. Each invoice must be accompanied by a detailed timesheet and expense claim forms substantiating the amount claimed.
4. Payments shall be made promptly by ECDC in Rand, but in no case later than thirty (30) days after submission of a VAT compliant tax invoice and supporting documentation by the service provider if the services have been properly executed as agreed.
5. The service provider shall retain all proof of expenditure and maintain such accounts and records as are reasonable necessary, claimed above, should ECDC require an audit to substantiate that expenditure and allows ECDC's own personnel or an independent auditor access to those records.
6. Should the above audit reveal that ECDC has been overcharged, the Service Provider will re-imburse the ECDC the amount overcharged within 30 days inclusive of interest calculated at prime plus 2% per annum;
7. A foreign bidder shall be entirely responsible for all taxes, stamp duties, license fees, and other such levies imposed outside the Republic of South Africa.
8. A local bidder shall be entirely responsible for all taxes, duties, license fees, etc., incurred until delivery of the contracted goods to ECDC.

15. Value Added Tax (VAT)

1. Prices quoted by VAT Vendors MUST be inclusive of VAT and as such any price charged by the vendor in respect of any taxable supply of goods or services shall for the purposes of the VAT Act Section 64(1) be deemed to include any tax payable in terms of section 7(1) (a) in respect of such supply, whether or not the vendor has included tax in quote/bid price
2. In all instances where bidders (including VAT Vendors) have excluded VAT from the prices quoted , such prices must be evaluated excluding VAT and if the bidder is successful , the letter of award of contract will state that the price at which the contract is awarded is exclusive of VAT and the VAT will not be added on at any stage .

The successful bidder will have to absorb the adverse financial implications of not including VAT in the price quoted.

3. Prices quoted by non-VAT Vendors MUST NOT include VAT. However Non-VAT vendors who submit bids for contracts that would, if successful, take their annual turnover to be above the threshold of R1 million are obliged to include VAT in the prices quoted and must therefore immediately upon award of the contract, register with the South African Revenue Services (SARS) as VAT Vendors. The award of such a contract would be conditional pending the successful Bidder submits proof of registration as a VAT Vendor with SARS
